RE: Summer Youth Stimulus – EKOS
Reference TEGL 24-08, Section 7, WIA Youth

This notice is being sent for information and clarification regarding Summer Youth Employment Program (SYEP) participant enrollment dates in EKOS.

Summer Youth participants with an enrollment date BEFORE May 1, 2009 (or after September 30, 2009) **must be attached to a funding stream other than Summer Youth Stimulus** (exception: 22-24 year olds in extended SYEP). Any youth participating in the 2009 SYEP only must be attached to the Summer Youth Stimulus funding with an enrollment date of May 1 or later. Any youth enrolled before May 1 or after September 30 must be attached to appropriate funding stream (Adult, DW, Youth, Adult Stimulus, DW Stimulus, Youth Stimulus). However, youth ages 22-24, attached to Youth Stimulus will not be counted in common measures performance--they must be attached to either an Adult or DW funding stream to be counted in common measures.

Example: Enrollment date: April 15, 2009
Age 18
Should enroll in Youth Stimulus.

**Same participant enters SYEP May 1, 2009 - should attach additional funding stream-
Summer Youth Stimulus.
Participant is co-enrolled and will count in common measures.**

Because of the monthly reporting requirement, no SYEP enrollment dates should be changed after July 1.
